Glow In the Dark Sleeping Bags

Kids Mummy Bag

A 3978 Blue

B 3979 Purple

- Open size: 5 x 2 ft / 152 x 61 cm
- Packed size: 8 x 11.5 in / 20 x 29 cm
- 2.06 lbs / 0.93 kg
- 30°F/-1°C
- Glowing "constellations" make bedtime more fun. They are tuned to be bright enough to be fun but not so bright you can't go to sleep. Be sure to give it some time in bright light to charge the glow.
- The hood traps heat inside and prevents wiggling out during the night, getting cold, and waking up – so kids and parents sleep better.
- Safer - No strings for kids to get tangled up in
- Front zipper is easier for parents to operate. No more reaching clear across the child to reach the zipper.
- Soft polyester shell is breathable and water resistant.
- A Velcro pocket inside keeps must-haves nearby.
- Unlike most kids sleeping bags, ours is made using the same offset construction as adult performance sleeping bags. That means the quilting seams don't go all the way through preventing cold spots.
- Wave shape leaves plenty of leg room to sleep in any position.
- Durable compression sack keeps it clean and compact in transit.
